**[ 15A Directions applying section 14A of the Land Compensation Act 1961**

- (1) Subsection (2) applies if—
  - (a) an acquiring authority submits a compulsory purchase order for confirmation, and
  - (b) the authorising enactment is listed in Schedule 2A.
- (2) The acquiring authority may include in the order a direction that compensation is to be assessed in accordance with section 14A of the Land Compensation Act 1961 (cases where prospect of planning permission to be ignored); and if it does so the following provisions of this section apply.
- (3) The acquiring authority must submit to the confirming authority a statement of commitments together with the order.
- (4) A "statement of commitments" is a statement of the acquiring authority's intentions as to what will be done with the project land should the acquisition proceed, so far as the authority relies on those intentions in contending that the direction is justified in the public interest.
- (5) If the authorising enactment is listed in any of paragraphs 2 to 7 of Schedule 2A, those intentions must include the provision of a certain number of units of affordable housing.
- (6) The statement under section 12(1)(a) must include a statement of the effect of the direction; and paragraphs (ba) and (bb) of the same subsection apply in respect of the statement of commitments as they apply in respect of the compulsory purchase order.
- (7) The confirming authority may permit the acquiring authority to amend the statement of commitments before the decision whether to confirm the order is made.
- (8) But the confirming authority may do so—
  - (a) only if satisfied that the amendment would not be unfair to any person who made or could have made a relevant objection for the purposes of section 13, and
  - (b) if the authorising enactment is listed in any of paragraphs 2 to 7 of Schedule 2A, only if the statement of commitments as amended will still comply with subsection (5).
- (9) If the confirming authority decides to confirm the order in accordance with the applicable provisions of this Part—
  - (a) it may confirm the order with the direction included if satisfied that the direction is justified in the public interest;
  - (b) otherwise, it must modify the order so as to remove the direction.
- (10) If the order is confirmed with the direction included, a confirmation notice under section 15 must (in addition to the matters set out in subsection (4) of that section)—
  - (a) state the effect of the direction,
  - (b) explain how the statement of commitments may be viewed, and
  - (c) explain that additional compensation may become payable if the statement of commitments is not fulfilled.
- (11) In this section—

"the authorising enactment" means the enactment that confers the power to make the compulsory purchase to which the order in question relates;

"the project land" means—

  - (a) the land proposed to be acquired further to the compulsory purchase order, and

(b) any other land that the acquiring authority intends to be used in connection with that land;

"unit of affordable housing" means a building or part of a building that is constructed or adapted for use as a separate dwelling and—

(a) in the case of a building in England, is to be used as—

(i) social housing within the meaning of Part 2 of the Housing and Regeneration Act 2008, or

(ii) housing of any other description that is prescribed, or

(b) in the case of a building in Wales, is to be used as housing of a description that is prescribed.

### *Commons, open spaces etc.*

✓ Law In Force

#### 6.—

(1) In so far as a compulsory purchase order authorises the acquisition of a right over land forming part of a common, open space or fuel or field garden allotment, it shall be subject to special parliamentary procedure unless the Secretary of State is satisfied—

(a) that the land, when burdened with that right, will be no less advantageous to those persons in whom it is vested and other persons, if any, entitled to rights of common or other rights, and to the public, than it was before, or

[(aa) that the right is being acquired in order to secure the preservation or improve the management of the land ]<sup>1</sup>

(b) that there has been or will be given in exchange for the right additional land which will as respects the persons in whom there is vested the land over which the right is to be acquired, the persons, if any, entitled to rights of common or other rights over that land, and the public, be adequate to compensate them for the disadvantages which result from the acquisition of the right, and that the additional land has been or will be vested in the persons in whom there is vested the land over which the right is to be acquired, and subject to the like rights, trusts and incidents as attach to that land apart from the compulsory purchase order, or

(c) that the land affected by the right to be acquired does not exceed 250 square yards in extent, and that the giving of other land in exchange for the right is unnecessary, whether in the interests of the persons, if any, entitled to rights of common or other rights or in the interests of the public,

and certifies accordingly.

(2) In the case of a compulsory purchase order under the Highways Act 1980 sub-paragraph (1)(c) above shall have effect as if after the words “extent” there were inserted the words “or the right is

required in connection with the widening or drainage of an existing highway or in connection partly with the widening and partly with the drainage of such a highway”.

(3) Where it is proposed to give a certificate under this paragraph, the Secretary of State shall [ direct the acquiring authority to ]<sup>2</sup> give public notice of his intention so to do, and—

(a) after affording opportunity to all persons interested to make representations and objections in relation thereto, and

(b) after causing a public local inquiry to be held in any case where it appears to him to be expedient so to do, having regard to any representations or objections made,

the Secretary of State may, after considering any representations and objections made and, if any inquiry has been held, the report of the person who held the inquiry, give the certificate.

[ (3A) Notice under sub-paragraph (3) above shall be given in such form and manner as the Secretary of State may direct. ]<sup>3</sup>

(4) A compulsory purchase order may provide for vesting land given in exchange as mentioned in sub-paragraph (1) above in the persons, and subject to the rights, trusts and incidents, therein mentioned, and [ except where the Secretary of State has given his certificate under sub-paragraph (1)(aa) above, ]<sup>4</sup> for discharging the land over which any right is to be acquired from all rights, trusts and incidents to which it has previously been subject so far as their continuance would be inconsistent with the exercise of that right.

(5) In this paragraph—

“common” includes any land subject to be enclosed under the Inclosure Acts 1845 to 1882, and any town or village green,

“fuel or field garden allotment” means any allotment set out as a fuel allotment, or a field garden allotment, under an Inclosure Act,
