Hi [REDACTED]

We have an agreed form of APA with NGT but as Vicky says, it is yet to complete. We weren't aware that NGT was proposing to object but are happy to accept this late holding objection as expect the APA to complete imminently, following which NGT will withdraw its objection.

Kind regards,
Katy

Dear [REDACTED]

I act on behalf of National Gas Transmission Plc (NGT) and write to you with regard to the National Grid Electricity Transmission (Scotland to England Green Link 2) CPO 2023. National Gas has been negotiating an Asset Protection Agreement with NGET to ensure the ongoing protection of its assets and interests which are impacted by this CPO. NGT expected matters to be agreed and hence didn't submit an objection to the CPO within the representation period, however the agreement still remains to be completed and therefore NGT wishes to submit a late holding objection until matters complete.

We expect to be able to finalise this agreement shortly and will keep you updated.

Please can you confirm whether you're able to accept this objection?

Thank you in advance,
Kind Regards
