Transmission plc (Scotland to
England Green Link 2)
Compulsory Purchase Order
2023***

Part 1 of 2

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SCOTLAND TO ENGLAND GREEN LINK 2) COMPULSORY PURCHASE ORDER 2023

THE ELECTRICITY ACT 1989

THE ACQUISITION OF LAND ACT 1981

National Grid Electricity Transmission plc (in this order called the "acquiring authority") makes the following order -

1. Subject to the provisions of this order, the acquiring authority is under section 10 of and paragraph 1 of Schedule 3 to the Electricity Act 1989 hereby authorised to purchase compulsorily the land and the new rights in, on, under or over land described in paragraphs 2 and 3 ("Order Land"), for the purpose of the construction, use and maintenance of an electricity link comprising underground cables, converter station, substation and associated development to facilitate the transfer of electrical power between Fraisthorpe and a converter station in Drax.
2. The land authorised to be purchased compulsorily under this order is the land described in Table 1 of the Schedule in accordance with the definitions at paragraph 7 below and the land is shown coloured pink and edged red on a map prepared in duplicate, executed on behalf of the acquiring authority and marked "Map referred to in The National Grid Electricity Transmission plc (Scotland to England Green Link 2) Compulsory Purchase Order 2023".
3. The new rights authorised to be purchased compulsorily in, on, under or over land under this order are described in Table 1 of the Schedule in accordance with the definitions at paragraph 7 below and the land is shown coloured blue and edged red on the said map prepared in duplicate, executed on behalf of the acquiring authority and marked "Map referred to in The National Grid Electricity Transmission plc (Scotland to England Green Link 2) Compulsory Purchase Order 2023".
4. Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 are hereby incorporated with this order subject to the modifications that references in Parts 2 and 3 of Schedule 2 to the Acquisition of Land Act 1981 to "the undertaking" shall be construed as including the works to be constructed and used by the acquiring authority in, on, over and under the land subject to this order.
5. Where pursuant to this order a new right is acquired by the acquiring authority it shall be exercisable at all times by the acquiring authority, its successors in title, lessees, licensees, assigns and those deriving title from them and all persons authorised by any of these.
6. In the Schedules to this order, where a party's interest has already been identified and described in a plot then if they are identified in a later plot their address has not been repeated.
7. In Table 1 of the Schedule to this order, the following terms shall have the following meaning:

"**electricity infrastructure**" means the underground cables (including wires, earth wires, fibre optic cables and other communication cables, pipes, coatings and ducts), connections, cable draw pits, cable joints, cable marker posts, cable terminals, earth bonding and tape, drains, culverts, fibre optic pits, inspection boxes, trenches, marking bands, protective boards or tiles, jointing pits, link boxes, manholes, monitoring equipment, apparatus, conductors, supports, plant, equipment, pillars, warning tape, sheaths and other underground or overground equipment and apparatus associated with or ancillary to such underground cables; and

Rights	Description of Rights
Access Rights	All rights necessary to access the Order Land and adjoining land including to: <ol style="list-style-type: none">a) access the Order Land and adjoining land for the purposes of constructing, installing, commissioning, inspecting, surveying, maintaining, repairing, altering, renewing, replacing and removing or decommissioning the electricity infrastructure and/or the establishment, use and removal of works compounds, and carrying out de-watering and drainage works and installing, altering or reinstating land drainage systems, with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SCOTLAND TO ENGLAND GREEN LINK 2) COMPULSORY PURCHASE ORDER 2023

	<ul style="list-style-type: none"> b) carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities; c) access the Order Land and adjoining land use for horizontal directional drilling, where appropriate, for the installation of the cables; d) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Access Rights; e) prevent and remove any works or use of the land which may interfere with or obstruct such access or the exercise of the Access Rights; f) make good any damage caused in connection with the exercise of these Access Rights; and g) carry out any activities ancillary or incidental thereto.
Electricity Infrastructure Construction Rights	<p>All rights necessary for the purposes of or incidental to the construction and commissioning of the electricity infrastructure, including to:</p> <ul style="list-style-type: none"> a) construct and install the electricity infrastructure in, on, under or over the land, including using trenchless techniques such as horizontal directional drilling; b) test and commission the electricity infrastructure installed in, on, under or over the land and to remedy initial faults and defects in it at any time prior to the date on which it is energised and ready for commercial operation; c) energise and commercially operate the electricity infrastructure for a period of no more than four months following initial commercial operation; d) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); e) carry out archaeological works and environmental and/or ecological mitigation; f) carry out works required or permitted by a planning permission and/or consent or licences; g) erect and remove fencing; h) store and stockpile and where necessary use, manage and process plant, machinery, apparatus and materials (including excavated material) and/or equipment; i) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment, materials for such purposes; j) construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities; k) carry out de-watering and drainage works and install, alter, reinstate or remove land drainage systems; l) discharge water into existing drains and watercourses; m) protect and prevent damage to or interference with the electricity infrastructure and the construction of the same; n) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Electricity Infrastructure Construction Rights; o) prevent and remove any works on or use of the land that may interfere with or obstruct the exercise of the Electricity Infrastructure Construction Rights; p) erect, create, use and remove welfare facilities including portable toilets, portable cabins and offices and electricity generators; q) install, use and remove artificial lighting; r) install, use, alter, divert and remove services and utilities; s) make good any damage caused in connection with the exercise of these Electricity Infrastructure Construction Rights; and t) carry out any activities ancillary or incidental thereto.
Construction Compound Rights	<p>All rights necessary for the purposes of or incidental to the establishment, use and removal of works compounds including to:</p> <ul style="list-style-type: none"> a) erect, create, use and remove a works compound which may include portable cabins and offices, and welfare facilities including portable toilets and electricity generators; b) store, stockpile and where necessary use, manage and process plant, machinery, apparatus, materials (including excavated material) and/or equipment; c) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SCOTLAND TO ENGLAND AND GREEN LINK 2) COMPULSORY PURCHASE ORDER 2023

	<ul style="list-style-type: none"> d) fence, erect hoardings or signage or otherwise secure the compound; e) carry out de-watering and drainage works and install, alter or reinstate land, drainage systems; f) discharge water into existing drains and watercourses; g) install, use and remove artificial lighting; h) park cars; i) protect and prevent damage to or interference with the operation and maintenance of any works constructed pursuant to the Construction Compound Rights; j) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Construction Compound Rights; k) prevent and remove any works or use of the land which may interfere with or obstruct the exercise of these Construction Compound Rights; l) install, use, alter, divert and remove services and utilities; m) make good any damage caused in connection with the exercise of these Construction Compound Rights; and n) carry out any activities ancillary or incidental thereto.
Drainage Rights	<p>All rights necessary for the purposes of or incidental to the carrying out of de-watering and drainage works and to install, alter, use, maintain, reinstate or remove drainage systems, including to:</p> <ul style="list-style-type: none"> a) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; b) protect and prevent damage to or interference with the operation and maintenance of any de-watering and/or drainage works; c) prevent and remove any works or use of the land which may interfere with or obstruct the exercise of these Drainage Rights; d) make good any damage caused in connection with the exercise of these Drainage Rights; and e) carry out any activities ancillary or incidental thereto
HVAC Rights	<p>All rights necessary for the purposes of or incidental to the retention, commissioning, operation, protection, maintenance, surveying, repair, renewal, replacement, removal and decommissioning of the electricity infrastructure, including to:</p> <ul style="list-style-type: none"> a) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; b) use horizontal directional drilling, where appropriate, for the installation of the electricity infrastructure; c) carry out de-watering and drainage works and install, alter, reinstate or remove land drainage systems; d) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); e) protect and prevent damage to or interference with the operation and maintenance of the electricity infrastructure; f) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the electricity infrastructure and access thereto; g) prevent and remove any works on or use of the land that would prevent access to or the operation and maintenance of the electricity infrastructure; h) prevent changes to the use, or level of the surface of, the land; i) make good any damage caused in connection with the exercise of these HVAC Rights; and j) carry out any activities ancillary or incidental thereto. <p>The HVAC Rights may be acquired over such part of the Order Land plots described in Table 1 of the Schedule to the Order as may be necessary PROVIDED THAT the 'rights corridor' within which the HVAC Rights shall be acquired shall not exceed:</p> <ul style="list-style-type: none"> k) 50 metres in width where trenchless installation techniques, such as horizontal directional drilling, are used; l) 25 metres in width in all other cases;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SCOTLAND TO ENGLAND GREEN LINK 2) COMPULSORY PURCHASE ORDER 2023

	<p>AND PROVIDED FURTHER THAT the width restrictions above shall not apply to the acquisition of the access rights and drainage rights described at paragraph a) and c) above, which rights may be acquired over such part of the Order Land plots described in Table 1 of the Schedule to the Order as may be necessary.</p>
HVDC Rights	<p>All rights necessary for the purposes of or incidental to the retention, commissioning, operation, protection, maintenance, surveying, repair, renewal, replacement, removal and decommissioning of the electricity infrastructure, including to:</p> <ul style="list-style-type: none"> a) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; b) use horizontal directional drilling, where appropriate, for the installation of the electricity infrastructure; c) carry out de-watering and drainage works and install, alter, reinstate or remove land drainage systems; d) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); e) protect and prevent damage to or interference with the operation and maintenance of the electricity infrastructure; f) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the electricity infrastructure and access thereto; g) prevent and remove any works on or use of the land that would prevent access to or the operation and maintenance of the electricity infrastructure; h) prevent changes to the use, or level of the surface of, the land; i) make good any damage caused in connection with the exercise of these HVDC Rights; and j) carry out any activities ancillary or incidental thereto. <p>The HVDC Rights may be acquired over such part of the Order Land plots described in Table 1 of the Schedule to the Order as may be necessary PROVIDED THAT the width of the 'rights corridor' within which the HVDC Rights may be acquired shall not exceed:</p> <ul style="list-style-type: none"> k) 30 metres in width where trenchless installation techniques, such as horizontal directional drilling, are used; l) 20 metres in width in all other cases; <p>AND PROVIDED FURTHER THAT the width restriction above shall not apply to the acquisition of the access rights and drainage rights described at paragraph a) and c) above, which rights may be acquired over such part of the Order Land plots described in Table 1 of the Schedule to the Order as may be necessary.</p>
Landfall Rights	<p>All rights necessary for the purposes of or incidental to the construction, retention, commissioning, operation, protection, maintenance, surveying, repair, renewal, replacement, removal and decommissioning of the electricity infrastructure, including to:</p> <ul style="list-style-type: none"> a) access the land and adjoining land with or without vehicles, personnel and plant, machinery, apparatus, equipment and materials for such purposes; b) use horizontal directional drilling, where appropriate, for the installation of the electricity infrastructure; c) carry out de-watering and drainage works and install, alter, reinstate or remove land drainage systems; d) enter the land and carry out surveys and investigations, including aerial surveys (including the right to fly an unmanned aircraft over the land and to enter and retrieve and recover any such unmanned aircraft from the land); e) protect and prevent damage to or interference with the operation and maintenance of the electricity infrastructure; f) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the electricity infrastructure;

THE NATIONAL GRID ELECTRICITY TRANSMISSION PLC (SCOTLAND TO ENGLAND) LAND GREEN LINK 2) COMPULSORY PURCHASE ORDER 2023

	<ul style="list-style-type: none"> g) prevent and remove any works on or use of the land that would prevent access to or the operation and maintenance of the electricity infrastructure; h) prevent changes to the use, or level of the surface of, the land; i) make good any damage caused in connection with the exercise of these Landfall Rights; and j) carry out any activities ancillary or incidental thereto.
Landscaping Rights	<p>All rights necessary for the purposes of or incidental to the installation, inspection, retention, operation, protection, maintenance, repair, renewal, replanting and replacement of landscaping, ecological and/or environmental measures, including to:</p> <ul style="list-style-type: none"> a) use as a construction and maintenance compound, working area, lay down and parking areas for all plant, equipment, materials and vehicles required in connection with the exercise of these Landscaping Rights; b) access the land and adjoining land with or without vehicles, personnel, plant, machinery, apparatus, equipment and materials for such purposes; c) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with these Landscaping Rights; d) prevent and remove any works or use of the land which may interfere with or obstruct or interfere with the exercise of these Landscaping Rights; e) make good any damage caused in connection with the exercise of these Landscaping Rights; and f) carry out any activities ancillary or incidental thereto.
Temporary Access Rights	<p>All rights necessary to access the land and adjoining land during construction and commissioning including to:</p> <ul style="list-style-type: none"> a) access the Order Land and adjoining land for the purposes of constructing and commissioning the electricity infrastructure and/or the establishment, use and removal of works compounds, and carrying out de-watering and drainage works and installing, altering or reinstating land drainage systems, with or without vehicles, plant, machinery, apparatus, equipment, materials and personnel; b) access the land and adjoining land to use horizontal directional drilling, where appropriate, for the installation of the cables; c) carry out works to facilitate such access including to construct, lay down, use and remove access roads including any necessary temporary bridging, culverting or diversion of water courses and drains, modifying road verges and junctions and installing, using, altering, diverting, and removing services and utilities; d) fell, trim or lop trees, shrubs, hedges and bushes and to clear and remove any and all vegetation which may damage, obstruct or interfere with the exercise of these Temporary Access Rights; e) prevent and remove any works or use of the land which may interfere with or obstruct such access or the exercise of the Temporary Access Rights; f) make good any damage caused in connection with the exercise of these Temporary Access Rights; and g) carry out any activities ancillary or incidental thereto.
