

**EGL2 Regional Fund in Yorkshire –
feedback form**

April – May 2026

Eastern Green Link 2 (EGL2) is supporting communities in the local area. Last year we launched our Local Community Fund, supporting local charities, parish councils and community organisations.

We are now looking to hear your views on how our Regional Fund could make a difference in your area. Through our Regional Fund, we will be looking to support larger, longer-term programmes that benefit the wider area. Completing this form is the first step in helping us get this right.

Your response will help us understand what matters most locally to you. This will shape our ongoing conversations as we design and develop the EGL2 Regional Fund.

This form is to gather views for our Regional Fund. Please do not use it to provide feedback on EGL2's project design or construction activities.
